

Dear Parents-

April 24, 2007

GEMS is celebrating a very successful and positive 2007 Health Fair, put on by our PTA. Thanks to all who contributed time and energy toward that success.

GEMS has learned that there was a mix-up on the permission slips for the Ident-A-Kid program. In an attempt to be helpful, volunteers photographed and fingerprinted students who were thought to have forgotten their permission slips. The District is currently awaiting the return of all the pictures and information that was sent to Ident-A-Kid. Parents who did not authorize this activity may collect the pictures and prints from the GEMS Office. GEMS will notify you when those materials have been returned. Any such materials not claimed will be shredded. We apologize for any inconvenience or concerns caused by this situation.

Sincerely,

C. Stefani, Principal
